

BECOME A DEALER

How It Works

Eproperty365 Dealer owns Exclusive Territory License from Eproperty365 for a zip code area or state. This entitles the Dealer to receive recurring commissions from anybody who uses Eproperty365 software to manage a rental property unit within their area no matter if they sold them or not. Eproperty365 will pay a commission to the Dealer, as long as that property owner pays their monthly rental unit fee. This commissions ranges from 10% or 40% of the monthly unit fee depending on your involvement in marketing and promotion.

For a Limited Time Eproperty365 Reduces Minimum Purchase of a Zip Code Area From \$5000.00 to \$50.00.

Becoming an Eproperty365 Dealer allows you to purchase either by the zip codes or a state Exclusive Territory Licenses. The average cost per zip code area is \$72.80.
